## BASKETBALL CHAPTER METRO PLAN CENTER POINTS

The following addresses associated with these chapters will be used to determine the center point for the METRO PLAN travel reimbursement. Please use the following link to help determine the radius points for 20, 30 and 40 mile locations.

<http://www.freemaptools.com/radius-around-point.htm>

After entering the site scroll down to **Radius Distance** and enter 20 MILES in the **miles** box. Then go to **(2) Place radius by location name:** and type or copy and paste in the full address given for the basketball chapter below including zip code. For example: (240 Cypress St., Abilene, TX 79601).

Then click **Draw Radius** button.

The same steps can be used to determine the distance from the chapter center point for 30 and 40 miles also.
